Subject of the email: ✨ Number is Function: Join Wayne Hackett in Person -Lafayette,CO

Dear Friend,

Wayne Hackett is back in the Rocky Mountains. Boulder County area.

Join us for a seriously playful weekend adventure class into the cosmic math of your well-being. This unique class bridges the ancient wisdom of Jin Shin Jyutsu with numerology, revealing how Number dictates function, biology, and health.

"Jin Shin IS math. A flow is a mathematical calculation or sequence." – Jiro Murai

"Number IS the Law of the Universe" – Mary Burmeister

The Hidden Math in Our Words

We will explore Gematria and Isopsephy—ancient Greek and Hebrew practices that decode words into numerical values. When we translate the language of our bodies into math, the cosmic blueprint becomes clear:

- $H+A+R+M+O+N+I+Z+E = 8+1+18+13+15+14+9+26+5 = 109 \rightarrow$ Reduces to 1
- $C+H+A+O+S = 3+8+1+15+19 = 46 \rightarrow$ Reduces to 1
- $C+O+N+F+L+I+C+T = 3+15+14+6+12+9+3+20 = 82 \rightarrow$ Reduces to 1
- $S+T+R+E+S+S = 19+20+18+5+19+19 = 100 \rightarrow$ Reduces to 1

When the "1" function is healthy, your body is in perfect harmony. When it is diminished, harmony fractures into chaos, conflict, and stress.

- $D+I+S+H+A+R+M+O+N+Y = 4+9+19+8+1+18+13+15+14+25 = 126 \rightarrow$ Reduces to 9
A diminished "9" shows up physically as incompleteness, lack of fulfillment, and the literal indigestion of both thought and food.

© 2026: The Year of the "1" ($2+0+2+6 = 10 \rightarrow 1$). There is no better time to realign your personal mathematical sequence and step out of chaos and into harmony.
